Tribute Wall

“ Gerald was a true (Ride or Die) friend until the Lord took him on November 11th! He was Always there when you needed him. He never hesitated to come running to your rescue. He was Carlo/Henry's only PawPaw. He loved him dearly as his own, and that love was returned 100%! He would help unquestioningly and expect nothing in return. Everywhere we went, people knew him. He was respected and Loved. He gave Everyone a nickname, from Greyboy/Scottie, Cool Breeze/Ellen, to Carlo/Henry.... No idea why, he just did. Watching a movie with him was pointless because he would (Spoil Alert) the entire way through it... We are Blessed to have him for as long as we did. For 19 years he's been a dear friend to Me and many others for longer than that. He could and would regal stories about this valley and the people in it.... He had a fantastic memory and a knack for Math and Numbers. He dearly loved and cherished his family. His sisters, brothers, nieces and nephews meant the world to him. If you hurt, he hurt. He will be Missed...
