“ *I will always remember Christmas at Rickey's house, 'Stasia putting her head in my lap and I played with her hair as we sat in the floor watching all the unwrapping chaos; Mickey looked over and said "Oh you've found someone to pet you, u'v got it made now". It's a precious memory of that sweet girl :)
I wish I had words to lighten your agony but sometimes words are just not enough. Please accept my deepest condolences on this unimaginable loss. The family is in my thoughts and prayers.
Sincerely, Daphne Garmon*

“ *I would I like to extend my deepest condolences to the family of Anastasia. Her and I are the same age, and it hurts my heart to see her already gone from us all. May you draw comfort from one of my favorite passages at John 5:28, 29. I hope we can all see Anastasia again in the future. Your family will be in my prayers.*
