“ *Daddy it's been 3 months and I miss you so bad. I have so much I need to talk to you about. I just wish so many times I would have listened to you. You talked to us so much about the Bible and Christ, I've prayed so many times for guidance about my home and I just don't understand what I'm doing wrong. I need your wisdom and honesty. I miss you so bad. If only I would have listened. I know you are singing and shouting in heaven and you know no pain or sorrow but oh how I wish I could just listen to you 1 more time. I love you forever. Love Teresa*

“ I pray for easy resting for Paw Paw Nelson and that his loved ones always remember that they were loved, especially his wife Sandra and his favorite girl of all Shawna. It is never easy to let those that we love go. What a wonderful man, father, and grandfather he was. Let his precious memories last forever.
