“ We were blessed to be a neighbor of Mrs Gregorn for over 25 years. Barabara was a beautiful person and a very wise woman, very elegant and always well spoken. We always knew her affectionately as Nanny. She welcomed my son and nephews into her home many many times as they played with her grandchildren, front yard football or backyard swimming...they loved to be over there. I have many memories of playing online word games in which she most always won!! Lol

I always had much respect and admiration for her. Our neighborhood will miss her grand presence.

My prayers are with her children, grandchildren and sisters. Love you lots guys..

She will surely be missed.

So very sorry for your loss! I always loved her beautiful smile! She was such a beautiful, friendly and gracious lady. She reminded me so much of her precious mother. Praying for all of her family. Sending much love your way.
