“ *My deepest sympathy to Becky's family, she is my first cousin , her dad and my dad were brothers
I will always remember Becky for the joy she always brought, i wish I had lived closer so we could have got to see each other more, but that once a year at decoration , her presence was felt, the love she had for her family in her delicious prepared food, she made me feel special with a hug, I was blessed to be a small part of her life at least once a year, love you Becky 🙏🙏🙏*

“ *I worked with Becky for 17 years and she was a friend from the beginning. Becky was a kind, sweet, caring, loving friend to me and would be to every one she met. She was a happy, fun loving person that was a privilege and joy to be around. I don't think she ever met a stranger and anyone would be happy to call her a friend. Will always remember the fun times in and out of work and just being around her. She was a light that could not be dimmed and will live in my heart. Rest in Peace my sweet friend.
