“ *When I worked at The First State Bank of Altoona, I loved for Betty to come in with the Dr. Jenkin's deposits each day because for years she would always come to my teller window. She was always in a good mood, smiling and a pleasure to know her. Condolences to her family from our family.*

“ *I am so sorry to hear of Betty's passing. We volunteered at GRMC on Tuesdays. She always stopped at first floor desk to visit with me before she went up to her job on second floor. She was a special sweet friend. I loved her and will miss our phone visits. I know Betty is with her Lord and Savior. She was a good Christian Lady. Trudy Glenn*
