“ Dear Blake an Scott I was just made aware of your mothers passing. We were very close in age and both raised boys. We shared many a laugh about you two and my three boys. Her real glowing moments were when she started talking about the grandchildren. We closed many a sale during our careers and had a good time with each and every one. In real estate problems can raise their ugly heads but issues were always dealt with and everyone walked away satisfied. Your mother had a positive attitude and a fabulous sense of humor. She will be missed and fondly remembered. Judy Hamil

“ Brenda was a great friend of mine and I met her at Exchange Bank and Gadsden Corporation about 29 years ago. She has closed dozens of real estate and other loans for me and my businesses. I would stop and see Brenda every time I came in the bank and she was not busy. She was honest, hard working, intelligent, and a great friend to talk to. She will be missed by everyone that knows her. Prayers for the family. Jason stinson
