“ Before leaving for Jackson MS shows, I saw I had a voice mail from Brian and Melinda. I was running late and figured I'd see to it when I returned. I listened to Brian tell me Melinda's birthday was coming up and he wanted to talk to me about doing some art for him to give her. He sounded like his normal gregarious self that makes friends where ever he goes... and he was thinking of Melinda. Then to get on the computer not 10 minutes later to learn of his sudden death really floored me. My heart goes out to you Melinda. You had a unique and loving relationship of caring and respect not everyone is lucky enough to get. The loss has got to be devastating, but the memories will serve to strengthen you in the days to come. Brian was very special & you both are in my prayers.
