“ *I only knew Brittany through a game called Hayday ! We would chat and everyone in the group could join in ! We knew about her kids and we all worried and prayed for her husband when he was deployed ! I am saddened by the news iof Brittany's passing ! When we lose an elderly loved one it hard to accept but Brittany was gone too quick ! She is with God and the Angkes now ! Fly high Brittany, we know you will be watching over all who loved you !*
