“ *So sorry to hear of Glenn's passing. He was a very sincere and admirable man of character who I admired for the way he loved and lived his life. I never visited him
When he wasn't happy and had something positive to say. He very much loved his
Wife , daughters, and grandchildren. Peg , Deb , and Glenda, I will be much in prayer
For you. He loved you each more than you will ever know. You have given up a huge
Part of yourself and I've lost a wonderful friend. But the wonderful part of our living
Is knowing there's a better day ahead. Where once again we'll all be together once
Again , this time to never part again. If you need me , call me.....*
