“ *Not just Cobb, but all of you have a very special place in my heart. I will never forget our first meeting. It was our summer revival and Jerry and I had gone to visit my brother in Florida the week before Homecoming. Someone called me in Florida and said Martha Umphrey had volunteered for all of you to stay with us the week of the revival. It was quite a surprise, but one of the special blessings in our life to have The Hallmark Family In our home. I guess we did okay because we have been friends ever since. I know at one time Jerry wanted to discuss something with Cobb and get his perspective on the matter. Jerry had a lot of confidence in Cobb and respected his opinion because he did not "sugar coat" anything. If you did not want the truth, do not ask Cobb. This is one of the many reasons everyone respected him and received such a blessing from his sermons. I had a smile on my face earlier when I received the news of his death, because I can just imagine Heaven with Cobb, Jerry, and Jimmy and Tom Henry. I will not be able to be with you during this sad time, but my love and prayers will be there in spirit. God bless each of you. Judy Moore*
