“ Colby was my chosen son. I loved him as if he were my own. Watched him blossom into the fine young man that he was. Colby had an exceptional nature he was very respectful loved his family and friends i just could never say enough about this precious young man. He will be painfully missed. We could always and forever say why but its part of Gods plan and we just have to live in the faith. I and many other will always and forever be gratefull that we were fortunate enough to have been blessed with his friendship and love. Fly high my precious friend we will surely one day meet again.
