“ *Sending sincere condolences to Connie's family. I remember spending some wonderful family gatherings with my cousins, and Connie was always a great person to be around. It seemed she always had a smile on her face. Although I haven't seen many family members over the past years since we have scattered across the country, I often think back to the times we spent. I used to love visiting the Cooper clans! I talked to my sister, Debbie, and she sends her condolences too. Keeping the family in my thoughts and prayers.*

“ *I have known Connie since our grade school days at Divine Savior and high school at Ridgewood. She was sweet, kind and generous. My deepest sympathies to the Cooper and Hubbard families. May she live in eternal embrace with her dear husband Dan.*
