“ *I have known Debbie and her family as far back as I can remember. I am from Unity Church and I remember all the revivals that we shared with our churches and I always her testimonies and her shouting in the spirit. Our choirs would get together and sing and praise our Lord together. Lee I have watched you grow up and become the man you are today and believe me you made your precious Momma proud. I love this family and know that you are all in my prayers.*
