“ *I am very sad for the Southers family on the loss of Deborah. I knew Richard and Deborah since I was in grammar school as we grew up in the same neighborhood. Richard and I played a lot in our younger years and met Deborah around the same time but remember her more coming into my family's grocery store, the Bama Supermarket, to pick up snacks, drinks or a few things that were needed for supper. She was very soft spoken but very polite and kind and I cannot remember her ever that she didn't have a smile on her face. Haven't seen her in decades but genuinely good people are easy to remember and hard to forget. May perpetual light shine upon her and may she Rest In Peace. Amen. Thoughts and prayers for all family and friends of Deborah at this time. -Michael Piazza*
