December 21, 1954 - September 7, 2024

Delmar "Ludie" Rose White, born December 21, 1954, deceased September 7, 2024.

She is survived by her husband; Larry Don Stanford, two daughters; Elissa Baker and Kendra White, four sons; Devin White, Jamie White, Bryan Stanford, and Zach Stanford, their spouses, her 30 grandchildren, and 12 great grandchildren. She was loved and adored by all. She always knew how to help make people smile and brighten their day. You were a warrior who put up a strong hard and long fight. We love you, Mik-Mik to the moon and back and across the rail road tracks.

Thank you to all of the staff at Southern Hospice who helped and showed all of their love and care.

The family has chosen cremation and a Private Memorial Service will be held at a later date.
