“ *Denny was such a very kind man. He had one of the best hearts anyone could ever have and would do anything to help those he cares about - sometimes too much. I remember riding to go eat catfish with Denny on Fridays, that was the day he ate Catfish. He loved the kind with bone in cause the tail was crunchy. I just found out about his passing and it took my breathe away. I loved that man and I know he loved me. He loved his family and he loved to fish. He loved Waffle House and he loved those casinos. He will never be forgotten.*
