“ *Angie, Jason and Josh and Mason and all of you I have no words to Express my feelings of pain and hurt at losing one of the finest women I have ever known. Even then. I know the pain yall feel is magnified one thousand times and I wish I knew something to say or do to lessen that pain. I loved your Mom like a sister and if there's anything I can do to help please let me know. My prayers are with you all*

*Ann is a great lifetime friend I will never forget. We grew up living close together. I would walk to her house sometimes and we would play mostly Elvis songs. We stayed a lot at her grandmother Whitehead house and walk back and forth. She made some of the best cookies. We went to the movies at in Albertville at a walk in theater and spend the Saturday sometime there. The best day there was when we watched Elvis movies and got the entire Theatre singing along. It was amazing. She loved life and having fun. She loves everyone. Even a few people that would be mean to her. She always had a great outlook on life no matter how or what happens. She Loved the Lord and going to Church. She lives for her Husband children and grandchildren.*
