“ Dang man... It's your baby girl... I miss you so much dad I wished I could have one last conversation with you and just one more memory. It's been about 3 weeks now and it's getting harder everyday. People ask me if I'm okay and I'll say yeah or I guess or I'm doing okay but deep down I'm not doing so good. Fly high for me daddy. I miss you and love you so much.
