“ she was one great lady every time I came to Alabama I love to stay with her and Frank The church is full of people who have come to say goodbye But no one wants to see you go And we're all left asking why In our pain and tears we share A heartache that cannot heal but in our minds we will keep Memories no one can steal We all can feel your hand in ours And see your loving face You havent gone I feel you here A love I cant replace you meant so much to each of us And in our hearts your always be I hope you can see how precious you were To them, to us, to me.
