“ *As a person, a friend, a co-worker, a supervisor, a mentor, an auditor, a federal employee, and a leader there was no one better than Fay. I am lucky and thankful to have known her and worked with her for all those years. I miss her and her passing is a great loss. My deepest sympathy and most heartfelt condolences to her family and friends. Treasure your memories of her and keep her in your heart, as will I. basil temchatin*
