“ *I have so many memories of you, Aunt Gloria. To be your chosen niece meant the world to me. It was from you at an early age, I think, that I received the love of dogs that still exists in my heart today (I had 19 at 1 point in time). You brought me dolls and barbies and dresses and I remember you sitting at the table with Mom, drinking coffee after all the kids had left for school (except me cause I was the baby). I remember everyone being at your house on the river and how I loved sitting on the pier but hated the mosquitos. You've dogsitted for me, we've talked for hours on end and so you know, nothing will ever replace those moments in my mind, and and you will never be gone either! I will always cherish being able to say goodbye to you. Just to hear your voice one last time! I love you, LeAnn*
