“ *Family I am so sorry. Harriet was a special lady. This family has been a part of this community since I was a child. I love Ruth and Jay so much. I grew up with Harriet and Tommy as someone a little older but also as friends. It was a blessing growing up in this community with people like this to look and learn from. Harriet was big part of this community and will be missed. Y'all are in our thoughts and prayers. Kenny Mashburn much love.*
