“ *My father will be greatly missed. One of my fondest memories of my dad was how he would take all five of us kids to Rock City every summer. I loved it back then and cherish that memory now. There are several moments I could share but this one stands out in my mind. I love you my sweet daddy always and forever.*

“ My Dad was an amazing man. A Vietnam Vet and married 56 years to my wonderful Mother, they worked together to raise 5 children. He made sure we never went without anything that we needed and helped all of us tmo grow up strong, work hard, and love harder. He was a strong man who could make friends with anyone. I am so proud to be his son and I can only pray that I am half the man he is. I remember when I was young during summertime when I wasn't in school, he would take us to Noccalula Falls and we would eat breakfast at Jack's. I know that was a fond memory for him as well, because he would talk about it often as I got older. He was the best Dad to all of us and we are thankful for the wonderful times we had with him. I miss my Dad terribly already, and I know I will see him again once day. Until then, I will talk to him daily. I love you Dad.
