“ Philip I really hated to see this about uncle Jack. Especially over a month after the fact. Jack Smith was a great guy and a good little brother to his big sister Hazel Smith Haynie, (Grandmother). I always enjoyed when he stopped by to see her and I got to spend time talking and listening to him tell stories. I can't only think that with his passing that the world will never see another man like his generation. Prayers for you and your family.

“ I am sad to read of Jack's passing. I have known him and Mrs, Smith for several years. I know there was a glad reunion day for him. Prayers for the family and his caretakers.
