“ I have 38 years worth of memories of him. So many memories it would take me forever to list. Some people called him James, most people knew him as Jimmy. Luckily I knew him as Daddy. He was at the hospital with me the day I came into this world and by the Grace of God I was able to be by his side, telling him I loved him when he left this world. Daddy I love you with all my heart. You will never be forgotten.
