“ *It was so great being back in touch with you Jerry after so many years. It made me remember us as kids growing up together. I know you felt alone but I wish you could have known how much love others had for you.*

You took a piece of my heart with you and even at 51, I still had a little bit of my childhood left with you around. I loved talking 'Bama football and Dale Junior racing with you the last year or so while we caught up with each other after so much lost time. I will miss you cuz.

Love, Vic, Lee Ann, Sean-Evan, and Haleigh
