“ I am so sorry for y'all's loss but I can just see Jerry and my Daddy (Bobby Joe Harper) sitting around getting caught up on all the years past. I still have a little monkey that Jerry carved out using a hickory nut. My kids use to stay with y'all a lot in the summer time and that is where they both learned how to swim. I love this family so much more than you can ever imagine. If I can do anything please let me know.
