“ *Only God knows , and understands how deeply I love you my sister. If I could pick a bible verse that is you to me it is 1 Samuel 16:7. You went for help when I was born saving my life . You were instrumental in saving me so many times throughout my life in so many ways. I forever will be grateful for your unconditional love not only to me but for everyone in your path. My heart will be broken until we meet again.*
