“ *When I lost my husband Jerry just a few months ago Joe was just the best friend I could have known & asked for because he came by often just to see if he could do anything to help me out and just let me know he cared about me and was thinking about me. He was a great friend to both of us and we loved him and Brenda both. He will be truly missed. But he will be always in our thoughts and prayers, and our prayers go out to the family always.*
