“ Kerry is my niece and I dearly loved her. Kerry's sister, Sherry, Kerry and I, used to play together at momma and daddy's house. I wasn't too much older than they were and I always enjoyed them coming home from wherever their family was stationed in the Army. I wish that I could be home right now to comfort her mother and daddy. Billy, Dale, Justin and Ashton; I love you guys. I know this is one of the hardest things you have ever done. Y'all are stronger than I ever could be. Kerry loved all of you so much. She would have fought a bear for you. I heard her say that and I know she meant it. I cannot be there now, but I will be home sometime maybe in the spring. I am so sorry that you have to go through this. I will be praying for all of you.

Love you all,  
Neda
