“ My memory takes me back to many, many times I was privileged to be in service with Bro Bill.. When at Unity or, when he and the family all came and sang at our little country Church. Bro Bill was always the same. He never changed, waived, or redid his testimony, it was always the same. He was anxious to be at home with his eldest Daughter Billie, and his saviour Jesus Christ which exemplified his wish to change His residence to a place not made with hands. I believe he made it . He's right where he Always wanted to be. To Katherine, Kathy, and Ricky, and the rest of his family, rest In the assurance that he is at rest. No more pain, no suffering, and no more living with A clouded mind. Bro Bill is safe and waiting on each of you to join him there.

“ Katherine, Kathy, Ricky, and family, as much as my heart aches for all of you, I rejoice that Bill is home, healthy, whole and with Jesus and Billie. He was such a wonderful example of righteousness. I truly believe he and Katherine's Godly lives had a large part in why my parents, Gene and Betty Whitt came to Jesus. And for this and so much more I am so grateful. You all are in my prayers. Please know the God of all comfort is there with you.
