“ *We grew apart and away as adults, but as children oh my! Including Heath we were the three trouble makers to our Nona and Granddaddy. I was always trying to keep up with the boys and even took a dip of red man off a dare. I threw up but as the oldest was looked at I'm one of them. Lol. I will miss my cousin dearly. I have lost too many and my heart breaks. I can hear him laughing now. We always played jokes on our Aunt when we all got together for Christmas. It's sad that we all stopped being a large family after our Nona's passing. She was the glue that held us all together. I will miss you and always consider you my brother.*
