“ Joe, his Mother Nina and Dad Howard, and all the siblings were a blessing to have as neighbors and as follow Christian church members. Joe always had a smile and that's how I'll remember him. To all the family ya'll will be in my prayers and thought and please forgive my absence at the wake and memorial. I too have lost a sibling and have a very difficult time when it comes to morning. Love you in Jesús name. Lane

“ Joe and I played well together when we were kids and our families got together. As a matter of fact, people who did not know us well thought Joe and I were brothers because we favored so much. I wish Barbara and I could be there, but we are out of town. Love all of you and praying for God's comfort. Fred and Barbara Russell
