“ *Aunt Linda was a sweet sweet person. She was always busy doing something. I remember her working along side Charles in the garden and canning their harvest. She was famous for her fried taters and green maters. She was a great cook just like her sisters. She welcomed me into the family so many years ago even though i scared the pants off her one day when we were all fiddlin' worms.( I had no idea she had a fear of them)! Linda will be greatly missed by all who had the privilege of knowing her! My prayers are with her children, grandchildren, great grandchildren and siblings! 💜💜💜*
