“ Lisa was always so kind growing up. Then our girls ended up going to school together as well, first time we'd seen each other in years, and she was just as kind as ever. I know heaven is rejoicing as she enters those pearly gates. RIP my friend you will be missed. Praying for the family.

I was a caregiver for Lisa...she was a really great person. She loved her husband and daughter so much ❤️ Her friends and family were so loved. We talked and became fast friends. I, for one, was Blessed to have known her. Lisa you will surely be a beautiful angel for the Lord!
