“ *Jack Presley was a good man and a hard worker. He did so much for other people and always stayed busy doing something. When we were Young we were close cousins. I have always respected Jack for all his Good Deeds and being the man he was. He will be greatly missed. My love and prayers go out to the family. We will all meet again one day.*

“ *My condolences go out to all of Jack's family. Jack was my cousin- he was a good man, had a big heart, always smiling- he was a giving and loving guy. He lived in Ala, my family in Fla. we had fun when we visited each other. As teenagers- I remember he and Robert Joe took us swimming in a muddy creek in Ala. we had a lot of good times. I always liked his crazy curly red hair. God now has one more Presley in heaven-Jack will be with his Mom, Dad, two sisters and brother and many more loved ones. Goodbye my sweet cousin- until we meet again. Your cousin Helen*
