“ *Matt was a wonderful young man. We first met him at the old Faith church in 1991 and he was so a good impression on the youth there. I can remember all the young boys like Brad, Sid, Daniel, Jeremy and Matt who helped lead and guide my two young sons in the right direction. May the Lord comfort you in this time of grief. “ I coached football with Matt for 2 years. He was always a pleasure to be around with a great sense of humor and a desire to help each athlete become a better person. He was a great friend to have, I will always remember our time we dedicated to the football team. I will miss my friend. Thank you for all you did. May peace and love be upon your good family you leave behind. We love coach Matt, fly high my good brother
