“ *I love and miss you honey. I remember the first we kissed and you had never forgotten it either. You talked about it a lot. Looking back we had a lot of fun times happy times as well as the other's but it's okay. One day I will see you again! Kisses, hugs and love forever and ever*

Darlene Mann - December 22, 2019 at 01:03 AM

My life seems to be in slow mod I miss you more each day that goes by. I love you more than you ever knew.

Darlene Mann - May 13, 2021 at 06:12 AM

I love you honey. I am having a hard time getting past my loss of you. I just don't know how to get past this. I know you are in a good place. I am like you, I wish we had gone together. Love and kisses until we are together again
