“ *Special memories of Aunt Nola. I can see her and Mike fishing in dad pond. She would ride with mom to visit the sick. She told me about those visits on Thursday. She said mom would always her to pray before they left. She told me I looked more like my dad the older I got. I considered that as one of the best compliments I ever had. My husband always called her pretty lady and she loved him for that. A special Aunt in Heaven rejoicing with Uncle Mutt and the rest of loved ones. You never get ready to lose a loved one but she is not suffering anymore. I love all my family and praise the Lord for me being a part of a special family.*

“ I am very sorry for loss of your mother, she has left such a wonderful life of serving the Lord and letting her light shine and being such humble pastor's wife to your Dad. You all are so blessed with such wonderful memories of both parents. I loved both of them very much , I use to see you Dad at the store at Whitesboro that Bobby and Imogen had. I always loved running into your mom at Grocery store or where she worked, she was always. Up lifting to me even though she had gone through great loss of 2 of her precious loved ones, she still had something encouragement to say. You had a very beautiful mother that loved all of you so much, she was a forgiving person she told me one time not to long after I moved into the community that a true Christian would have a forgiving heart because you never wanted a thorn sticking you to preventing you from not being able to have a wonderful worshipping service in the house of the Lord. I never forgot that ,I send my love to all of you because living so close to all of you it makes it seem like we are family.i will keep all of you in my prayers and you have been so bested with having strong Christian lives and you will always have great memories to treasure that will bring comfort to you and there be times you still cry from missing your mom but I believe our Lord understands our tears, may Lord comfort you at this time of your loss and having to say goodbye for short while.i send my love and prayers to all of you. Martha Huff
