“ *The first thing I think of when I think of my cousin Pam was how much I enjoyed sharing a birthday cake with her! When we were younger, my family (Martha June (Karr), (sister to Pam's dad), Uncle Ronnie, cousins Susan (me), Mark, and Amy Barber) would drive up from Florida to spend part of the summer in Albertville with Pam, Bubba, Uncle Johnny, and Aunt Martha. Most of the time our trip lined up with the family reunion, and most of the time it was at the end of July where our birthdays were 3 days apart (mine on July 28th, and Pam's on July 25th). Every time those occasions lined up, we'd get a single, large sheet cake for our birthdays, with an icing line drawn down the middle, Happy Birthday Pam! on one side, and Happy Birthday Susan! on the other. I always looked forward to sharing a cake with my cousin!*

Death is always untimely, taking those much too young. May Pam rest in peace, reunited with her parents and other family, until it's our time to see her again.

*Much love from our family to yours,
Ronnie Barber, Susan (Barber) Powell, Amy (Barber) Kemp and
extended families*
