“ *We will always remember Pam who we knew as a waitress at the Fisherman. She always remembered your name,, your favorite drink and food and whether or not you were for her team, her beloved University of Alabama football team. You never left the restaurant without a smile on your face and thanks to God for giving to all of us, the amazing and wonderful Pam Lovett. May her family always remember how much she was loved by others*

Dr. & Mrs (Chip & Willene) Griffith

Charles Griffith - August 18, 2017 at 04:32 PM

“ *Will be so missed. Fisherman will never be the same to me*
