“ *My only sister, you left too soon, I think of you every day, I have some peace in knowing that you are not suffering and that we will see each other again as our Christian Faith assures us, I don't know if we are immediately reunited with our loved ones but if not we will be and it will be as if we blinked our eyes to find we are with Jesus, family and friends, I know you are not suffering now and at Peace....*

“ *I will always remember Paula as a young person when we were in school. She had the warmest most welcoming and accepting spirit even then. May God's eternal light shine on her.*
