“ *To one of the strongest, loving & courageous Angels I've ever met...
Love you Randy, the world is a better place because you were in it...
May peace be with you... Lord wrap your arms around the ones left
behind and comfort them...
Amen

“ I've know Randy since second grade at Carlisle Elementary. He has always been an upbeat person. I don't know why cancer found him but I'm very grateful for all the support he had during his struggle. I'll miss you Randy.
