“ *I thank God every day for the time he gave Raymond and me to be together. One thing people cannot erase is the loving memories we made together. Those memories keep me going every day. Raymond was the sweetest, kindest, Most loving man I have ever known. He loved his family so much and talked constantly about the funny stories he remembered from their growing up years. This man has and will always have a big space in my heart that no person on earth can take away. Karlene*

“ Such a wonderful, kind and loving man. Me and the girls already miss you. It's going to be very hard pulling up at the house and not hearing you hollering hey to the girls and asking "what's my girls doing." You was so much more than just a neighbor. You was part of our family. We love you Marcus and are going to miss you so much.
