“ *He and his wife were serving in California in 1964, I was recently married and had been promoted to an office in Walnut Creek, Ca. My wife at the time was really homesick but Richard and his wife (Also from Boaz) took us under his wing and invited us to join them on a camping trip up into Oregon for week-end. Also invited us to their home to watch the Iron Bowl Thanksgiving 1964. List contact when we transferred away. Always had utmost respect for him. So sorry for his passing.*
