“ Rick (Old Man) was a wonderful friend for many years and many Saturdays were spent going to local stereo shops. During those wanderings, many discussions were held concerning current events, relationships and life philosophy. I remember Rick as a warm and loving man who never met a stranger. It's a shame that I let the past many years go by without keeping in touch. Janice: If you see this, know you are in my thoughts and I know you are going through some rough times. Feel free to contact me (gmikesmith@yahoo.com) if you need anything. Would love to stay in touch.
