“ *My condolences to the family and friends. Ricky was an outstanding athlete at Sardis HS. It is my hope that all touched by his life will come to know the Lord Jesus Christ by inviting Him into your life. If you could ask Ricky, he would want that.*

“ I am so very sorry for your loss and I am praying for each of you during this difficult time.  
I had the privilege of working with Richard at Lanier College & Career Academy and was able to witness his love and care for his students. Richard made sure he connected with his students and was a positive light and role model in their lives. Even as Richard's cancer spread, and he continued to come in and teach and support his students. Richard's love of teaching was evident in all he did, and he will be missed. Richard was a friend, and I am so very thankful for the opportunity I had to teach alongside him.  
May each of you feel the prayers lifted and have comfort and peace in the days to come. With sympathy & love, Susan Wright

“ It was an amazing blessing to have Richard as a friend and colleague the last few years. Richard could be counted on for his sense of humor, positive attitude and being a student favorite in the classroom! His constant faith in his Lord was inspiring and humbling. Richard will be missed.

“ Richard and I taught math at LCCA and taught next door to each other. He was always willing to lend a hand to help any one whether it was a student or teacher. Richard was a light in the lives of many of his students and teachers here at LCCA. We shared many stories, laughs, and many prayers. He is missed.

“ Richard was an amazing, loving, exceptional teacher and friend. He was a man of great faith, and brought so much light into this world. He touched so many lives here at LCCA, both coworkers and students. His students knew that he cared about them and would bend over backwards to help them. Richard had a great sense of humor, which he needed as he battled with his cancer. I cherish those times with him, driving to appointments and sitting in doctors offices when we both got so tickled we were crying when the doctor or nurse would come in. Good or bad times, Richard would be that ear to listen, that friend to pray with and I will miss him dearly. He will be missed here at LCCA. My prayers go out to Autry and his sister Teresa. I wish you strength through this difficult time. What I do know is that Richard is in a much better place. He is not longer in pain and is with his heavenly father. Love to all . Carol & Mike Summer
