“ I have so many memories. We lit firecrackers in the hayloft as kids. You can imagine that did not go well. Dad and Mom was not happy after putting the fire out lol. There was a time that he was teaching me how to shoot a BB GUN
Dana was putting up the target. We'll let's just say her back side became the target. She ran in the house crying (what a tattler) but boy he and I had a laugh about it . Well until we found out how unhappy Dad and Mom was about her getting shot.lol. I could tell many more but I would like to say the best big brother ever. Rest in peace

“ I'll never forget Uncle Ronald's sense of humor, and his cool hats! He always wore a cool hat every time I saw him!
