

Ruby Ann Vann

April 2, 1954 - September 21, 2024

Obituary for Ruby Ann Vann April 2, 1954 - September 21, 2024

With heavy hearts and cherished memories, we announce the passing of our beloved Ruby Ann Vann, affectionately known as “Ann.” She left this world on September 21, 2024, to dance among the clouds and bask in the sun. Ann was a true free spirit and a vibrant soul, renowned for her friendly personality and her unwavering love for everyone around her. She possessed a unique ability to make each person feel special and valued. Ruby had a flair for fashion, always strutting in her favorite styles, proving that elegance and fun can beautifully coexist. She wore each outfit with the confidence reminiscent of Marilyn Monroe, exuding both charm and sass. Her creativity knew no bounds, as she constantly thought of her loved ones, often finding little trinkets to share as tokens of her affection. She is survived by her loving partner, Donny Holloway, who adored her spirit and kindness. Her legacy continues with her children, son Micah Cain Prater and daughter Stephanie Rena Prater, who carry her warmth in their hearts. Ann was a proud grandmother to Elena R. Yeargan, Clayton D. Hartley, Bianca M., and Micah Cain Flores as well as three additional great grandchildren. She cherished her family and is also survived by her brother, George Austin III, and sister Jeanna R. Austin, along with a host of nephews and friends whom she always considered family. Ruby’s zest for life and her ability to find joy in the little things will be missed beyond measure. We take comfort in knowing she is

now somewhere over the rainbow, undoubtedly making new friends, sharing stories, and keeping the laughter alive. As we celebrate the extraordinary life of Ann, let us remember her not with tears but with smiles, laughter, and the colorful spirit she brought into our lives. Rest in peace, Ann. You are with GOD, and your light will forever shine in our hearts. Until we meet again, we promise to carry your spirit with us always. We love you.
